

# DO YOU KNOW WHAT TIME IT IS?

The purpose of this presentation is to give you a topographical view of, "THE END TIMES" from a different perspective. And by the time we finish this section you will be able to read for yourself God's time clock.

Use this simple out line to draw in the diagrams as you view the video.

1. Our modern day clock is based on 12 one-hour segments of time. Within those one hour segments of time there are divisions such as 5, 10, 15 minutes, etc. Then the 12 hour segments repeat for a total of 24 hours. (Draw it in below.)
  
2. God's clock is based on a 7-day cycle that also has divisions with it. Just like our modern day clock it can be read so as to know what time it is. (Draw in the 7-day cycle.)

Before we start let me give you some definitions so that we are all on the same page.

3. God's clock spans from Genesis to Revelation.
  - a. **Macro view:** Genesis 1 is the pattern of time.
  - b. **Micro view:** 2<sup>nd</sup> Peter 3:8 gives the boundaries of time.
  - c. **Pillars:** are defined as, "a firm upright support for a structure that stands alone."  
  
The pillars are: Adam, Noah, Abraham, David, Jesus, 1,000 and 2,000.
  - d. **Genealogies:** fill in the time frame - what happened, when etc. Gen. 4,5, 10 etc.
  - e. **Cycles:** with in each millennium there is a 600/400 cycle.
  - f. **Scripture can be dimensional.** For example, Eph. 3:18, Col. 2:7 etc.
  - g. **Name changes:** occur every 2,000 years.

4. Where are we going with all of this?

All of these 7 steps must be considered in order to pinpoint our exact season of time.  
In Rev. 1:19 John is told to write the vision down...past, present, and future.(Draw in what John saw.)

5. God's clock repeats. What we are currently seeing and experiencing has already been documented for us. For example: (Draw in the repeating cycle from the video.)
6. The book of Revelation is written in a very specific pattern which is: Church 1, seal 1, trumpet 1, and bowl 1 are the same time frame. It is the same for all the churches. Church 6 = Seal 6, Trumpet 6, Bowl 6. Do you see the 666 thread?
7. Our current season of time is: Day 6, Church 6, seal 6, trumpet 6, and bowl 6.

*Do you see God's plan, for man, from His perspective?*
